INTRODUCTION OF SIVAS

Sivas is a historic city located in central Turkey, having a rich historic dating back to thousands of years. This city is renowned for its well-preserved historical sites, including mosques, tombs and madrasahs. In addition to its historical significance, Sivas is known for its vibrant cultural scene, with traditional music, dance and cuisine reflecting the city's diverse heritage.

PRICING

- Governmental (kyk) dorms are relatively cheaper than other options but only female guests can be accommodated.
- Private dorms are good option for male guests since they cannot stay in the governmental dorms, but still cheaper than staying at hotels
- Hotels are the most expensive option in the list but they have more opportunities as well.
